DETAILED ACTION

1. Claims 16-20 and 40-49 are pending in the present application.
2. Claims 1-15, 21-39 and 50-75 have been cancelled. Claims 16, 40 and 45 have been amended.

Drawings

3. The drawings were received on December 8, 2006. These drawings are acceptable.

Allowable Subject Matter

4. Claims 16-20 and 40-49 are allowed.
5. The following is an examiner's statement of reasons for allowance:
Applicant's amendment and response filed December 8, 2006 are found persuasive. The amendment overcomes the rejections cited under 35 USC 112 second paragraph. The prior art of record fails to teach the combined method and apparatus of displaying records responsive to a database query as cited in independent claims 16, 40 and 45. Specifically, regarding claim 16, the following limitation is not disclosed: identifying records responsive to said database query that were displayed in their entirety in a prior database query. Apparatus claim 40 contains similar limitation and is therefore allowed for similar reasons. Regarding claim 45, the following limitation is not

disclosed in the prior art as claimed: means for identifying records responsive to said database query that were selected in a prior database query.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
